Vitamin E

REVITALIZING FOUNDATION

ILLUMINATES - MOISTURIZES - PROTECTS

A foundation that gives your skin with an illuminate finish. Enriched with Jojoba Seed Oil, Sweet Almond Oil and Beeswax.

Its formulated protects against environmental aggressors, hydrates the skin, and provides all-day comfort.

Main Active Ingredients

Jajoba Seed Oil

Deeply penetrates to soothe and soften while providing an excellent moisturizing effect and adding a healthy glow.

Sweet Almond Oil

A great source of Vitamin A & E, they nourish and improve complexion while reviving your skin's natural glow

Beeswax

Hydrates, conditions, soothes, and calms the skin without clogging the pores.

Vitamin C

Used to help brighten and even the skin tone. It also has antioxidant properties.

Vitamin E

Derived from Rapeseed oil. Acts as an antioxidant and can protect the skin from free radical damages. It also has moisturizing properties.
